

## *About This Fellowship*

In 1952 God gave Demos Shakarian, who's dad escaped from Armenia to California, a vision of men all over the world having troubled looks on their faces.

He then was taken in a vision on a trip around the world, and saw these same men who found the secret to becoming the "Happiest People on Earth."

With God's leading, Demos started the "Full Gospel Business Men's Fellowship International". The Fellowship grew to over 8000 Chapters in 143 Countries and is still very active today. His vision has inspired millions of men and women to fulfill their God given destiny.

Today, hundreds of thousands of men and women are transforming nations through "The Fellowship" on every continent. It is not a church or a denomination, but an organization that crosses religious, political, and cultural lines. Presidents, prime ministers, and world leaders have opened the doors of their countries to this movement.
