Terry Severson was a self-proclaimed atheist for 29 years of his life, a lot of those years were filled with turmoil. He found himself addicted to alcohol at the age of 14, and that led to several suicide attempts, it is only by the grace of God that Terry is alive today. At the age of 19 life took a dramatic turn when he met Shelley, he now wanted to live life. They met in 1982 but they never met Jesus till 1991 and it was then that life started coming together. In 1998 they went to Pensacola Florida to the Brownsville Revival and life changed forever as they were filled with the fire of God. Terry and Shelly have been Pastor's at Christ the Healer Gospel Church for almost 8 years, a ministry of TORO Ministries Inc. That name stands for Teach One Reach One. They have been in pastoral ministry for 21 years and have a desire to have a church full of people who love Jesus, and who are equipped to reach people with The Gospel Of The Kingdom.
