Ed Dowker was born and raised in Veteran, Alberta as the youngest of eight children. He grew up wild and started doing drugs and drinking at the age of 13.

He worked on the farm until he was 15 then went to work in the oil patch. He also rode saddle bronc.

At 17, he joined the U.S. Army using fake ID and fought in Vietnam. He returned to Canada as a bitter man who hated everybody.

In 1995, he was introduced to a wonderful man called Jesus who changed his life forever.

The Estevan resident has seen healing and many miracles in his life and others. We welcome you to hear his story and experience your own miracle!

*“Behold, I will bring [them] health and healing. I will heal them and reveal to them the abundance of peace and truth.” (Jeremiah 33:6)*
