Jerry Stevens was born in Yorkton. Jesus found him in his early 20's when he received a Bible from one of his sisters. The Holy Spirit revealed the Father's love to him when he read about the death of his son Jesus Christ on the cross.

Jerry made peace with God and God forgave him. He saw the power of the cross and how Jesus took away his sin, and he experienced the love of God that he never knew was ever possible. That revelation changed his life forever.

Five days later Jerry's life ended. He was suffocated by demons. He died and left his body. He ended up in heaven with an angel guiding him to meet Jesus. He was shown different parts of heaven and he saw many mysteries. After five hours, he was sent back to the shell of his lifeless body to resume his new life in Christ.
